

PROGRAMS

Active Play (0-6 years)

Provides children with unique physical activities including parachute fun, building block creations, bean bag toss, and other gross motor activities.

All About Me (0-6 years)

Children learn about themselves & friends.

Bookmaking (2-6 years)

The Bookmaking workshop is a hand's on learning opportunity for parents and children. During the workshop, parents and children will create books together, as well as, sing songs and listen to stories.

Creative Learning (4-6 years)

This program will help children currently in Kindergarten strengthen the skills that they have already acquired.

Dad & Me (0-6 years)

A program for dads and grandfathers to bond with children through fun activities and discussions with guest speakers.

Family Time (0-6 years)

An interactive program similar to Together Time which includes siblings over 6 years.

Fun with Letters (2-6 years)

Children will start to recognize letters by participating in different hands-on activities, including alphabet blocks, puzzles, stamps and other activities.

Fun with Colours (2-6 years)

Children will learn and explore the different colours through educational activities.

Fun with Phonics (3-6 years)

A program where children will begin to learn the basic sounds of the alphabet.

Fun with Shapes (2-6 years)

Hands-on experience to engage children while exploring with shapes through play.

Fun with Numbers (2-6 years)

Hands-on experience to teach kids to recognize and learn their numbers through puzzles, counting and practicing.

Little Explorers (0-6 years)

Includes hands-on activities, with emphasis on fine motor development, and tactile use.

Readiness to Learn (Children entering JK in Sept. 2018)

A program for children starting Junior Kindergarten in the current year. The program will help the child develop learning skills they will need to succeed in a school setting.

Together Time (0-6 years)

A program for parents and caregivers with children from birth - 6 years. The program provides the opportunity to socialize and learn in an early learning environment.

Wings of Discovery (3-6 years)

Science-based program which covers projects such as trip to the garden, to my community and around the world.
