### FOR IMMEDIATE RELEASE

## Groundbreaking Ceremony for Malvern Family Resource Centre

### NEWS

February 11, 2013

Malvern Family Resource Centre will hold its ground breaking ceremony on February 13<sup>th</sup> at 12:00 noon at 90 Littles Road (corner of Sewells and Littles Roads). The new facility will enable Malvern Family Resource Centre to consolidate some of its locations under one roof to meet the growing and changing needs of families in the area.

The design of this ultra-modern facility was developed by MHT Inc Architects and will benefit children and families in the Malvern area of north east Toronto. This building has not only complied with the required Toronto Green Standards, but we have also exceeded the standard by an additional 25%. This new multi-purpose Resource Centre will make services more accessible and better coordinated.

Girmalla Persaud, Executive Director, Malvern Family Resource Centre, noted that the support and assistance of MPP Bas Balkissoon was instrumental in bringing about this significant investment in Malvern.
