September 10<sup>th</sup>, 2015  
Toronto, ON

Malvern Family Resource Centre (MFRC) will be unveiling a new community mural installed at Morningside Avenue and the CP Rail underpass (just north of Old Finch Avenue) on Monday, September 18<sup>th</sup> at 4pm. Local artist, Brad MacMillan and youth volunteers spent the summer months developing and installing the mural concept. Children and youth in the community will participate in art-making activities following the unveiling from 4:30pm-5:30pm at Malvern Family Resource Centre (90 Littles Road) in the gym with local artists.

MFRC received funding for the installation of the mural from StreetART Toronto to develop a mural to celebrate the spirit of community in Malvern. This is the first large-scale mural developed in Ward 42 and will be enjoyed by residents, pedestrians and cyclists utilizing the off-road cycling trail on Morningside Avenue. Interested community members are invited to attend the unveiling.
