# Programs

## Active Play

Providing children with unique physical activities including parachute fun, bean bag toss, and other physical activities.

## Arabic Together Time

Families have the opportunity to socialize while children develop new language such as Arabic.

## Community Champions

Children will learn about occupations: Firefighters, Bus Drivers, Police Officers, and Librarians in an interactive environment.

## Community Walk (Outdoor)

Join us for a stroll around the neighborhood where children and families can explore the local community, enjoy fresh air, and engage in light physical activity together. Suitable for all ages.

## Dad & Me

A program for dads and male role models to bond with children through play and fun activities.

## Family Time

An interactive drop-in program which includes siblings over 6 years.

## Gardening Time (Indoor/Outdoor)

Having a local tour to MFRC Unbran Farm. Having hands-on experiences on digging planting in the garden setting.

## Imagination Play

Developing their imagination, creativity, language skills and social skills through pretend play and role-playing.

## Letter Fun

Starting to recognize letters by participating in different hands-on activities: -alphabet blocks, puzzles, stamps storybooks.

## Melody Playtime

An interactive program where children and parents will explore various types of music and dance.

## Mini Mathematicians

Participating in different hands-on activities which may include number puzzles, counting toys, counting beads & flashcards.

## Number Fun

Including games and activities that reinforce skills, and develop math concepts as well as bringing enjoyment for doing math.

## Outdoor Together Time

Learning & exploring the outdoors through planting and plants talking about nature through touch, smell & play.

## Phonics Fun

A program where children will begin to learn the basic sounds of the alphabet.

## School Readiness

The outcome of the program is to help the child develop the skills they will need to succeed in a school setting.

## Science Magic

An engaging program where children ages 0 to - 6 discover science through fun experiments & hands-on activities.

## Storytime

A variety of stories are read in the program, including large picture books, and stories involving props (such as puppets).

## Toddler Time (18-36 Months)

Focusing on toddler's development through play. Parents and caregivers will engage in activities with their child.

## Together Time

Having the opportunity to socialize while children develop new skills in an early learning environment.
